

ARROWLEAF

Pinot Gris 2010

Winemaker's Notes

The grapes for this wine are grown in the Suncrest Vineyard in Okanagan Centre and Wendell Orchards in Carr's Landing. Both locations are situated on westerly slopes near the deepest part of Lake Okanagan. The lake moderates the often extreme temperatures experienced in the Okanagan. Pinot Gris is well suited to this area, producing grapes with subtle flavours and retaining plenty of natural acidity. We age the wine on the lees for 6 months, producing an elegant, well-balanced Pinot Gris.

Tasting Notes

Ripe apple, pear, peach and delicate floral aromas. Complex, full-bodied with refreshing acidity.

Pairing Suggestions

Serve with salmon, fondue or vegetable lasagne.
