

ARROWLEAF

Snow Tropics Vidal 2009

Winemaker's Notes

Our estate vineyard is a long way from the tropics. It seems especially distant on cool and foggy late autumn days. In these chilly conditions Vidal reaches its sunniest and most tropical expression. We harvest the grapes after extended hang time for maximum concentration and ripe fruit flavour. Enjoy this wine chilled while lounging in the warmth of the sun.

Tasting Notes

Perfumed, floral, peach and tropical aromas with spicy and nutty undertones. The wine is made in a refreshing and clean off-dry style perfect for casual sipping.

Awards
